# **Year 10 Enrichment Week**

14<sup>th</sup>-18<sup>th</sup> July 2025

# Happy holidays!

At South Craven, we take pride in our Enrichment Week, which falls at the end of every academic year.

Extracurricular opportunities and enrichment visits are an important and memorable part of education. Not only do they develop confidence, leadership and teamwork, students are encouraged to have a sense of belonging and pride in their year group.

In light of our school drive of 'Ambition for All,' focusing on ambition and rewards, we provide our students with a variety of enjoyable and purposeful enrichment experiences.

All students will be off timetable during Enrichment Week, following a programme of either school-based or off-site activities bespoke to their year group. Activities build on each other from year to year, allowing students to experience a range of opportunities throughout their school life.

I would like to take this opportunity to congratulate all our students for all their commitments and efforts in taking part in enrichment opportunities this year. I hope they have found something they really enjoy, and will continue to do so next year.

As always, please let me know if you have any ideas for a new enrichment club, or if you want to celebrate a success.

I wish you all a fun, enjoyable and safe summer holiday.

# What's on this week

Earlier this year, parents and carers were asked to choose from two Enrichment Week options for their child:

- Option 1 - £46
- Option 2 - Free
- Option 3 - Show in a Week

A timetable of the week's events for all Options 1 and 2 are detailed overleaf.

Whatever option you and your child have chosen, they are sure to have a fulfilling Enrichment Week!

## **Sixth Form Experience Day**

Students will experience a day in the life of South Craven Sixth Form including sample lessons and free time in the Sixth Form Centre.
